About US :

: OUR COMPANY :

In the dawn of 1984, the Company Aristo Steel Furniture Works began its journey by holding the hands of the founder **Mr. Tapas Kumar Dey** with its first production facility at Birati. After a long journey and satisfied customer base it entered in the defence, enlisted contractor panel for 30 years and continuing and opened it's first visual customer satisfaction showroom in the year 2000. After reaching several milestones it established another high tech production facility by installing heat Chamber and Powder Coating Colouring Unit for better customer satisfaction. In the year 2014 a big achievement achieved by getting ISO 9001:2008 registration and most recently it has established the online Furnitute shopping site.

Website : aristosteel.in for best service to its customers.
